On behalf of Organising Committee, I wish to extend to you a very warm welcome to attend our 74th NZSOHNS Annual Scientific Meeting in Taupō at Wairakei Resort & Conference Centre from 9 - 12 November 2021.

The scientific committee has organised a world class academic program that covers all the subgroups of Otolaryngology-Head and Neck Surgery. The committee has invited international and national experts to participate in the meeting. A wonderful social program is organised by the social committee that I am sure all the delegates and their partners will enjoy.
